

Assembly instructions for concentric slave cylinder 510 0063 10

Manufacturer:
Opel, Vauxhall

Model: Astra-H, Combo,
Corsa-C, Corsa-D,
Meriva, Tigra TwinTop

LuK AS Part No.: 510 0063 10

OE-No.: 56 79 331
56 79 335

The red assembly tab (**fig. 1, arrow**) may only be removed after assembly of the concentric slave cylinder to the gear-box!

Fig. 1: 510 0063 10

If the assembly tab is removed before the concentric slave cylinder **510 0063 10** has been correctly screwed in place, the rear backplate may become loose from its retaining stakes (**fig. 2**). As a result, it will no longer be sealed!

In this case, the concentric slave cylinder should not be fitted!

Note:
Any claims submitted with evidence of this damage due to incorrect assembly will not be covered by the warranty.
